Adding a Favourite SKU

Solis MINI 4G 700W Solar Inverter - Single Phase

SKU: Solis-MINI-700-4G

Overview Description Technical Information Documentation

This slim and ultra-lightweight inverter's design allows one person to install it with ease. The inverter is aesthetically pleasing making it ideal for domestic installations. It has a low start up voltage of 60V as well as having over 97% max. efficiency. The inverter is IP65 protected alongside several other protection functions. The input voltage range is between 50V and 600V with precise MPPT algorithm. WiFi and GPRS are optional interfaces which can be purchased separately and retrofitted at any time. A WiFi and monitoring app is available to allow the user to monitor their system remotely. This inverter comes with a 5 year warranty as standard but can be easily extended to 10 or 20 years at a low cost.

- You will know the SKU has been added to your favourites when the heart changes to black and a number will appear beside 'Favourites' in the header.

Viewing Favourites:
via Dashboard
or
via Header

The screenshot shows the CCL Solar website interface. At the top, there is a header with 'Account', 'Basket', and 'Favourites' (indicated by a blue arrow). The CCL logo is in the center, and contact information (NL: +31 30 80 80 205 / PL: +48 221041619) and a search bar are on the right. Below the header is a navigation menu with categories: 'New', 'Solar', 'Energy Storage', 'EV Charging', 'Off-Grid Power', 'Manufacturers', 'Resource Centre', and 'Sale'. The main content area features a 'Moje Konto' section with account details and a 'We have enhanced your portal to include many new features...' banner. Below the banner are three feature cards: 'QUICK ORDER', 'ACTIVE QUOTES', and 'FAVOURITES & ORDERING TEMPLATE' (indicated by a blue arrow).

- You can access 'Favourites & Ordering Template' via the Dashboard or by clicking 'Favourites' in the header beside your basket.
- Both will take you to the same place.

Order Template Domestic Install SAVE LIST

	Order Template	Created Date	Total Items	Total	Action
+	Domestic Install	10-Nov-2020	2		Add all items to the basket Add items from the basket

- Enter a name for your favourites and click 'Save List'. This will create an order template under the name you have chosen which will hold all the products relating to this template. If you repeatedly order the same products, then you can just use this template each time you order.
- Beside the templates that you save you can then add all the products within that template to your basket and head straight to checkout.
- You can save lots of different favourites for example you could have a 4kW Domestic Install Template, a 3kW Off-Grid System.
